

BUILDING PERMIT FOR NEW ONE AND TWO FAMILY DWELLINGS

New home construction is covered by the State Uniform Dwelling Code. A building permit should be requested from Kunkel Engineering in Beaver Dam. Their telephone number is 920-210-4135 or 920-210-6351.

They will issue a permit that covers the inspection of footings, foundation, general construction, rough electrical, air conditioning, insulation, erosion control, and occupancy inspection.

There is also a driveway and culvert ordinance in effect for the Town of Alto. Culverts for a residence must be at least 18 inches in diameter and 20 feet in length.
